Visiting our groomer was a popular attraction on July 30th on the Proctorsville Town Green. Over 50 folks stopped by to check out the Tucker, with the majority taking the opportunity to sit behind the wheel and have their picture taken! Photos of the event can be found on our Facebook page and website. A huge thank you goes out to Patty Madigan Companik for photographing the event for us, and to Jeff Stearns for lending his equipment to transport the Tucker.

VERMONT SLED REGISTRATIONS

Those of you who have your sleds registered in Vermont will notice an increase in the registration fee from \$25 to \$28. This is a State of Vermont increase not a VAST increase.

TRAIL CLEARING & CLEAN UP

It's time to think about getting the trails ready for snowmobiling!

We are looking for volunteers to help with trail clearing and clean up on September 24th, October 22th, November 12th and November 26th. Bring your gloves and chain saw and meet us at the Cook Shack at 9:00 a.m. We finish the day back at the Cook Shack at 2:00 p.m. with lunch provided by the Club. If you can help on any of these dates, please email the Club or call Joe Marini (802-554-0011).

Remember ... each time you volunteer from November through October your name is put into our annual drawing to receive a Volunteer TMA. The more times you volunteer, the more chances your name will be drawn.

THINKING OF COOLER WEATHER?

If you're looking to stay warm this Fall or to get an early start on your holiday shopping, consider our men's and women's 1/2 zip fleece shirts, fleece vests and fleece jackets with our embroidered logo. An order will be going to our supplier at the beginning of September for an October delivery. Information on our Club clothing can be found on our website. Contact Karen Marini (gmsnowfleas@comcast.net or 802-554-0011) with questions. Proceeds from the sale of all clothing go to our "Building a Home for our Tucker" barn fund.
