TRAILS UPDATE

We have received VAST funding to replace the bridge on Corridor 126C in the area of Town Farm Road, and remove a bridge and relocate a section of Corridor 126C off of the Stowell's hay field on the Cook Shack side of Twenty Mile Stream Rd.

Info on work dates will be posted on our Facebook page and in the newsletter. Each time you volunteer for a Club project from Oct. to Sept. your name is entered into our October drawing for a free Volunteer TMA. The more times you volunteer, the more chances you have to win.
