TRAIL CONDITIONS

Trail conditions throughout Vermont are less than ideal. Use caution when riding as there are reports of icy conditions everywhere. We need snow and lots of it! Please be respectful of landowners, stay on the trails, and obey the trail signs. We will continue posting our trail conditions on our Facebook page and on our website. We will also continue to post other Clubs' trail conditions on our Facebook page.

Thank you to Kevin Berge and his sons for cutting and clearing a tree from Corridor 12 in the area between Belle's Campground and Colby Pond! We appreciate our members making us aware of problems they find on the trails and helping us keep our trails open. A Club is only as strong as its members. Thank you for your commitment and support!

RAVENS DEN CLUB ~~RIDE~~ DRIVE

We had a great turnout for our Club Drive to Ravens Den Steakhouse on Jan. 23rd. Club members Dave Berry, Karen and Joe Marini, Deb and Joe Nardini, Tim and Adam Rowe, Dan Tiernan, Jean and Russ Walsh, Karen and Jared Wilson, our friends from Chester JoJo and Jim Chiaggouis, Patty and Frank Companik, and Lee Whiting, and Heather Abbott from Green Mountain Trail Blazers enjoyed a delicious meal and shared thoughts on this year's lack of snow. More photos can be found on our website and Facebook Page - thanks to

Patty Companik. Look for a reschedule of this ride when we get snow.

Look for info and an order form with our March newsletter.

In the meantime, you can check out Club clothing on our website and purchase items at the Marini's and at the Cook Shack when it opens. Profits from the sale of cloth-

WE CAN USE YOUR HELP

We've been writing a monthly newsletter for a little over a year. In addition to Club events we also feel it's important to pass on snowmobile related information from VAST, other Vermont clubs, and snowmobilers across the country.

If you see a snowmobile article which you think others would be interested in reading, please send/email the article to the Club so we can include it in the newsletter.
