

# FLEA CALLER

## CORRIDOR 126C CONSTRUCTION

VELCO has completed the installation of the poles for the new power lines on Corridor 126C. They will begin running cable to the poles the week of March 6th. This portion of the project is expected to last at least 2 weeks, and the trail will be closed as they work their way from Twenty Mile Stream Rd. to Heald Rd. If you are out on the trail, please obey

the posted signs for your safety and the safety of the workers.

**REMINDER** - Our trail conditions are posted to our website and Facebook page. We also post trail conditions from other clubs on our Facebook page.

## EARLY BIRD FREE LUNCHES

Just in case Mother Nature doesn't provide some good snow before April 15th, we will honor the Early Bird TMA Lunch vouchers through the end of the 2018 season.

## SPRING IS COMING

Looking for some warm fleece for spring? We will be placing an order for our shirts, vests, and jackets on March 25th for an April delivery. The order form is included with this newsletter. The next order goes in on August 25th. Contact Karen Marini with questions. Proceeds from the sale of all Club clothing go into our barn building fund. Adult and youth t-shirts and sweatshirts are in stock and can be purchased at any time.

## ELECTION OF OFFICERS

The election of Club officers will take place at the April 13th meeting. Karen has indicated she is stepping down as Secretary to focus on Membership, the Newsletter and Publicity.

The Club meets once a month from October to April. The Secretary is responsible for taking the minutes of the meetings and distributing them as appropriate. The position is eligible to receive a Volunteer TMA. Please contact Joe Marini if you are interested in serving as a Club officer. We are a very informal group of volunteers who enjoy snowmobiling and the Cavendish trails.

## CHESTER PIG ROAST

You can drive or ride to the Chester Club's Pig Roast on Saturday, March 25th - rain or shine - beginning at 11:30 am at the Stone Hearth Inn in Chester. Cost is \$15.00 for pork, baked beans, and cole slaw. Enfield Motorsports will have demo rides if there is snow.

## SNOW FLEAS - WOULD YOU BE INTERESTED?

Two excellent ideas were suggested at our February meeting. We are looking for your feedback.

### SNOWMOBILE SWAP & TAG SALE

The Club would sponsor a free event this fall so members could swap and/or sell unwanted snowmobile-related items. The Club would handle all of the publicity - locally, and on our website, our Facebook page and the VAST website. Members would be responsible for providing their own tables and removal of any items which did not swap or sell.

The suggested location is the area adjacent to the Cook Shack on a Saturday at the end of October or beginning of November. The Cook Shack would be open while the event was taking place.

Do you have things to swap or sell?

Club members who took part in the Chester Valentine's Day Bonfire Ride take in the beautiful views, while enjoying delicious food, a DJ and light show, flowers and candy for the ladies, and a firework's show. Thank you to Chester members Robyn and Lee Whiting for hosting this wonderful evening!

### FEBRUARY 2018 MONTHLY MEETING

Instead of holding the February meeting during the week, the meeting would be held President's Weekend on Saturday evening, February 17th. Members could ride their sleds to the Cook Shack for dinner beginning at 4:30 pm.

Between 5:30 and 6:00 pm there would be a group ride to the meeting location - to be determined - but no more than 15-20 minutes away. We anticipate the meeting would last between 60-90 minutes and folks could be on their way home around 8:00 pm or earlier.

Would you attend?

Warm weather greeted the members who took part in Chester's Poker Run. Another successful event with over 80 in attendance.

Thank you Patty Companik for taking photos of our group at both events!
