ELECTION OF OFFICERS

The election of Club officers will take place at the April 8th meeting.

We are looking to fill the positions of Membership Coordinator and Landowner Liaison. The Membership Coordinator maintains a current list of Club members and their contact information and coordinates the sale of TMAs. The Landowner Liaison maintains a current list of the names and contact information for the Proctorsville and Cavendish landowners. You do not have to be a full time Vermont resident for either of these positions, and they can be "co" positions with two people sharing the duties.

Please contact Joe Marini if you have questions, are interested in either of these positions, or just want to become more involved with the Club. We are an informal group of volunteers who want to see snowmobiling thrive and continue in our town. Getting new volunteers involved is vital for the future of this Club.

March 4, 2020

Warm weather has forced us to close our trails. Status updates will be posted on our Facebook page, website, and the VAST Trail Map.

Please respect our landowners.

Thank you for your support and cooperation!

WELCOME TO OUR NEWEST AND YOUNGEST CLUB MEMBERS

Dan Ellen's niece Samantha joined the Club the weekend of Feb. 15th. Having passed the VAST Snowmobile Safety Course, Samantha started her day in Ludlow at the Safety Check having her snowmobile inspected and was interviewed for the VAST magazine. After checking out the local trails, she ended her day riding along in the Tucker with Dan Stowell and Kenzie as they groomed the trail from the Cook Shack to Colby Pond.

The Ramsdell's granddaughter Olivia joined the Club the weekend of Feb. 22nd. She took the VAST Snowmobile Safety Course online becoming the third generation of her family to be a Snow Flea. During her visit Olivia got to drive over the trails she has ridden on many times with her grandparents before enjoying lunch at the Cook Shack.

Our newest member is also our youngest member. Joey is just 22 months old, and the third generation of the Sides and Butova family to join our Club. The excitement of his first time on the trails on Feb. 29th was also accompanied by the need to take a nap. Look for Joey riding around in the yard as soon as he's able to drive a kid-sized snowmobile. We think we know what will be on his Christmas list!

Samantha, Olivia and Joey are the future of our sport. We look forward to seeing them volunteering with the Club, attending Club events, and riding on the trails in Snow Fleas Country!
