THERE'S A CHILL IN THE AIR

And cool weather is coming! The Club has sweatshirts and adult long sleeve t-shirts in stock, with micro-fleece 1/2-zip pullover shirts, fleece vests, and fleece full-zip jackets available by order.

The Crew Neck Sweatshirts are Gildan Heavy Blend (50% cotton/50% polyester). Sizes S-XL are \$28; 2X & 3X are \$30.

The long sleeve t-shirts are Gildan Ultra Cotton (90% cotton/10% polyester) with Snow Fleas down the sleeve and the same back graphic as the sweatshirt. Sizes M-XL are \$26; 2X & 3X are \$28.

We will be sending an order for fleece to our supplier at the end of September for delivery at the end of October. The fleece order form is included with this newsletter. Club clothing makes great holiday gifts!

Contact Karen Marini with questions. Shipping is available. Proceeds from the sale of all clothing go to our barn building fund. You and the Tucker will stay warm!

THE COOK SHACK NEEDS A FEW GOOD MEN AND WOMEN

For over 5 years Jared Wilson has singlehandedly run our Cook Shack every Saturday and Sunday. He will still be overseeing the Cook Shack this season but would like to free up his weekends a bit. And we can't blame him!

Jared will continue to purchase all the supplies, prepare the burgers, etc. He will open in the morning, help with set up, answer any questions, and then return at the end of the day to help close the Cook Shack down.

The schedule is weather permitting - no snow; we're closed. This season we are planning on opening the weekend of Jan. 4/5 and plan to be open on Saturdays and Sundays from 11 am to 3 pm until April 11/12 ... if Mother Nature is kind. We are looking for 2-3 people to work each day of the weekend. We will provide as much notice as possible if we are not going to be open the day you are scheduled to work.

While it is only Sept., we want to make people aware of the need for volunteers and, if possible, have folks make a commitment as early as possible before the season starts. Please contact Jared (802-226-7494) at any time before or during the season to get your name on the schedule.

Folks who work in the Cook Shack this season will have their names entered into our annual Volunteer

TMA drawing in October 2020. The more times you volunteer for Club projects - like the Cook Shack - the more times your name is entered into the drawing.

The Cook Shack is a warm, fun place to make new friends and help the Club. An added bonus is you will be entered into next year's drawing for a free Volunteer TMA. The more times you volunteer, the more chances you have to win!

CENTRAL VERMONT MOTORCYCLES

We have confirmed that Central Vermont Motorcycles in Rutland is no longer an Arctic Cat dealer. They will continue to provide maintenance and service with the Arctic Cat parts they have in stock. Once that supply is depleted, they will use after-market parts.

The nearest Arctic Cat dealers are now Brown Enterprises in South Londonderry, Troy Powersports in Troy, NH, and Livingston's Arctic Cat in Hillsboro, NH.
