GRATITUDE AND THANKS

As another season comes to a close we thank and acknowledge those who make our continued success possible. First, the two groups who allow this Club to survive and thrive - the Cavendish and Proctorsville landowners who so generously allow us to use their land for our snowmobile trails, and the Club members who come forward each time we ask for volunteers.

Thank you to everyone who supported the Club by purchasing TMAs. 46 new members joined this season, as well as several 'Members Only' and a few who purchased 3-day passes. Our numbers this season were the highest in the last 7 years!

Thank you to all who included a donation when you purchased a TMA. Your generosity has added \$825 to our Barn Building Fund!

While COVID has had a negative impact on our lives, it had the opposite effect on the Cook Shack. Thanks to the incredible support of the snowmobile community, the Cook Shack had its best season ever! People were respectful wearing masks, social distancing, and being patient as Chef Jared worked his magic. We understand we now have the best cheeseburger and best BBQ chicken sandwich on the trails! Thank you to Karen Rowe for providing desserts, and Tina and Kevin Berge and Tina's friend Mary, who stepped in during Jared's absence.

Thank you to Stacey Burkhardt, our website coordinator, and Clay Sides, who help Karen Marini keep our name out on the internet. Thank you to all the folks who shared their photos of the Cook Shack on Facebook!

Thank you Jeff Stearns for transporting equipment for the bridge building and trail re-route projects. Your help makes the trail work so much easier!

Our trails would be hard to find without the incredible job done by Russ and Jean Walsh. They handle all our trail signs, gates, and trail markers. It's not an easy task trying to encourage folks to stay on the trails.

Finally, our thanks to the dedicated crew who give up their evenings to "lay them flat" for your riding enjoyment - Glenn Fagan, Jim Filipowicz, Dan Stowell and McKenzie, Dan Tiernan, and Joe Marini. Your efforts were greatly appreciated by our members and the snowmobile community with lots of compliments appearing on Facebook!
