
FLEA CALLER

Thank You is never enough

With much appreciation, we would like to thank the **landowners** for their generous support and usage of their land; Without them there are no trails. Thank you to all of our **volunteers** for your commitment and hard work and generous contribution of your time; it truly takes a village. To our **members**, without your support year after year, we would not be able to financially sustain our club. To the **businesses** who support us; we appreciate and acknowledge your support!

What's up? or "Sup?" for short

The club concluded the riding season with our last club meeting of the season in April. Though the riding season concluded, there is a lot of work going on behind the scenes ALL YEAR LONG! I have included some updates for your reading pleasure in addition to upcoming events and donation requests.

November 18 & 19

Big E Fairgrounds, Springfield, Mass

CHESTER FALL FESTIVAL

Town of Chester center on Main Street

September 16th & 17th

We will have a food booth set up at the festival. We will be cutting, frying, and selling French Fries and Disco Fries as a Fundraiser to help with the Club's Groomer Loan Payments. Unfortunately, this past season we were unable to hold our Annual Fundraising Riding Events due to lack of snow on the scheduled dates. The success of this fundraiser is critical to the club.

To help offset some of the costs - we are asking for donations.

Monetary donations: If you are able, any monetary donations are very much appreciated. Donations will go towards the purchase of 250 lbs of potatoes, 24 gallons of frying oil, gravy, muzz and everything in between.

Cases of water donations: If you would like to donate a case or two of 16.9 oz water bottles, that would be very helpful.

Support: PLEASE, if you are able, stop by and support the club by ordering some fries during the event.

If you can help with any of these items, please send an email to the club with details:

GMSnowFleas@comcast.net

Volunteer Help Needed

Snow Fleas Website

Stacey Mason-Burkhardt has done an outstanding job creating and managing the club's website. She has notified the club, that this November she will be stepping down and no longer will be able to support us in this area.

She uses: Adobe Dreamweaver to achieve updates and upload files. Stacey recommends a professional website designer is needed to do this work.

She is willing to help with the transition and make it as seamless as possible. If you have experience in this area, and are willing to donate your time in managing the club's website, please send an email to the club: GMSnowFleas@comcast.net
