# FLEA CALLER

---

## SIMPLY THE BEST!

The Snow Fleas are fortunate to have very generous members who never fail to amaze us. We posted a notice in last month's newsletter looking for a donation of an air fryer for the Cook Shack. Russ and Jean Walsh have fulfilled that need. The Club also received a donation of a 100 ft. electrical cord for the new Tucker from Mike and Vanessa Zampini. A generous monetary donation was received from Tim Rowe to pay for the side walls of the Cook Shack eating area. These are just a few examples of the generosity we were humbled to receive last month. Our members are the best!

**THANK YOU, THANK YOU,  
THANK YOU**

**The 28 Day Raffle was a huge  
success with 300 tickets sold**

**We were overwhelmed by the  
number of folks who donated their  
winnings back to the Club. Your  
generosity is so greatly appreciated**

## NOVEMBER CLUB MEETING

The Club's next meeting will be Sat., Nov. 13th beginning at 4 pm in Tim Rowe's barn, 1997 Twenty Mile Stream Rd. The more members who become involved the better the Club will be. Hope to see you there!

## TWO BRIDGES GET FACELIFTS

Another group of dedicated volunteers were back at it again on Oct. 16th completing work on two bridges on Trail 106 adjacent to Brook Rd. Mike Brady, Joe Marini, Paul Marsh, Tim Rowe, Kimberly Stewart, Dan Tiernan, and Russ Walsh installed the new deck and new railings on new steel supports on bridge #1, and removed and installed new decking and repaired the railings on bridge #2. As always, thank you to Chef Jared for the delicious lunch. Are you getting ready to ride?
