## VAST OUTSTANDING BUSINESS AWARD

Singletons General Store has supported the Cavendish Green Mountain Snow Fleas for over 14 years. They have been providing discounts on great quality meats and food - in addition to helping support the club's fundraising efforts. Even though there is no current trail access to this location - this business - without hesitation - supports the snowmobile community. Singleton's General Store of Proctorsville, VT was the recipient of this year's Outstanding Business award by VAST.
