
FLEA CALLER

WEBSITE CHANGES

We have updated our website to reflect online only TMA sales with a new tab - "How to Purchase a TMA". We have also replaced our "Club Clothing" tab with a "Club Store" tab. The new tab includes a link to a Store order form, as well as the Club fleece order form. All items - except Club fleece - are available for sale year round from the website and will be available at the Cook Shack during snowmobile season. Check out these changes at our site- www.Cavendishsnowfleas.com.

Is there something you'd like to see in the Club Store? Email us your suggestions.

NECK GAITER AND BANDANA

The newest item in the Club Store is a Neck Gaiter and Bandana featuring our logo. Priced at \$12, it is 100% polyester. We purchased a limited number. If sales are good, we will make it a permanent item in the Store.

TRAIL CLEAN UP DAYS

Over the next week we will be out checking trails to see what needs to be done before the start of the season. Information on clean-up dates will be posted on our Facebook page and will be emailed to members.

Don't miss out on the opportunity to win a 2022 Volunteer TMA! Each time you work on a Club project (trail work, Cook Shack, etc.) from Sept.

30, 2020 to Oct. 1, 2021 your name is entered in the drawing for a Volunteer TMA. The more times you volunteer, the more chances you have to win.

REMEMBERING PETE RAMSDELL

With input from Dot, the Club officers have decided the best way to honor Pete's memory is to set up a scholarship in his name. Information on the criteria and details on how to apply will be in an upcoming newsletter.

VAST "GET A GRIP! HANDS ON!" CAMPAIGN

Again this year, VAST is promoting a "Get a Grip! Hands On For Safety!" campaign encouraging folks to keep their hands on the brakes instead of signalling the number of sleds following behind you. Steering with only one hand can be difficult and dangerous, especially if you need to quickly react to oncoming traffic. As a reminder, signs will be placed at trailheads/parking areas and trail intersections, as well as in snowmobile dealerships.
