2021 TMA SALES

At the July 27th VAST Board of Directors meeting the decision was made to move all TMA sales to an ONLINE only format. This will apply to Early Bird TMAs, Regular Season TMAs, and 3-Day Passes.

When you log into the VAST website to purchase your TMA all the information from your last year's TMA will automatically populate into the form - name, address, information for each snowmobile, and your prior year's Club membership. Information should be verified, and errors can be corrected. You will have the ability to change your Club membership, as well as the ability to join another club without purchasing a TMA from them. This will allow you to provide monetary support to clubs whose trails you frequently ride.

Online TMA sales include \$30 for club dues and a \$5 processing fee. These costs have been in place for online sales since the inception of the online option.

The TMA pricing for the season will be set at the conclusion of the VAST Annual meeting on September 12th. At this time there is not expected to be an increase over last season's pricing. The distribution of Volunteer TMAs is still being worked out. Early Bird TMAs are scheduled to go on sale on October 1st. We will keep you updated as we receive more information.

FALL TRAIL WORK

With COVID very much still an issue, at this time our only plans for the fall will be to debrush and cut back the overhang on our trails. We will be posting information on work dates on our Facebook page and the Club website.

We want to remind folks that each time you volunteer from now to October 1st your name is entered into our annual Volunteer TMA drawing held at our

October meeting. The more times you volunteer, the more times your name is entered into the drawing.

VELCO CONTINUES TO HELP IMPROVE OUR TRAILS

As VELCO continues their improvements of the power lines south of Quent Phelan Road, we will be able to enjoy an upgraded ride this winter on Trail 12.
